and participate in one of America's most entertaining sports events: the **WALT DISNEY WORLD® Marathon Weekend** January 5–8, 2006.

Hometown Heroes is a fully supported program that trains participants for endurance run, walk and cycle events to raise much-needed money that supports the mission of Huntsman Cancer Institute. Staff, coaches, fellow participants and honored patients support committed participants in meeting both their physical and financial goals. The program provides participants with travel to and from the event, as well as lodging, event entry fees, incentives and team apparel.

Each Hometown Hero commits to raise a predetermined amount to participate in the chosen event. Funds raised go to Huntsman Cancer Institute's mission of cancer education, research, and care.
